Emirates Shipping Association

Emirates Shipping Association is an NGO dedicated to being the overarching body in uniting stakeholders within the maritime ecosystem.

By connecting these stakeholders, the Association brings a global perspective to the regional maritime industry, addressing issues ranging from safety and sustainability to the adoption of innovative platforms and technologies. This collective approach provides our members with a unified voice to influence the industry's future trajectory.

Collaborating with local and international government partners, standards institutes, and maritime organizations, the Emirates Shipping Association serves as the focal point of the maritime sector.

UAE MARITIME WEEK CLOSING EVENT

Under the Patronage of the Ministry of Energy and Infrastructure and UAE Maritime Week 2023, Emirates Shipping Association aims to host an event to bring together the region's leading members of the maritime cluster. The event aims to enable our present and prospective members to discover new opportunities, forge new connections, and to foster new partnerships.

Panel Discussion

Emirates Shipping Association will be holding a panel discussion to provide the attendees with an overview of the registry in the UAE. The discussion will provide a unique opportunity to learn from industry experts and engage with the maritime community to tackle challenges and take advantage of the opportunities presented.
